

Nicklaus Children's Hospital

Doctoral Internship Program in
Pediatric Health and
Neuropsychology

Nicklaus Children's
Health System

Medical staff of more than 800 attending physicians and over 500 pediatric subspecialists

- Adolescent Medicine
- Asthma
- Allergy
- Anesthesiology
- Asthma Center
- Bone Marrow Transplant
- Brachial Plexus Surgery
- Cardiology
- Cardiovascular Surgery
- Brain Institute
- Clinical Immunology
- Craniofacial Center
- Critical Care Medicine
- Cystic Fibrosis Center
- Dentistry
- Dermatology
- Emergency Medicine
- Endocrinology
- Enuresis Center
- Epilepsy Center
- Gastroenterology
- General Pediatrics
- Genetics
- Hematology-Oncology
- Infectious Diseases
- Neonatology
- Nephrology
- Neurology
- Neuropharmacology
- Neuroscience
- Neurological Surgery
- Nutrition
- Ophthalmology
- Orthopedics-Orthopedics Surgery
- Otolaryngology
- Pathology
- Pediatric Surgery
- Pediatric Trauma Center
- Plastic Surgery
- Preventive Medicine
- Psychiatry
- Psychology
- Pulmonology
- Radiology
- Rheumatology
- Scoliosis Surgery
- Sleep Disorder Center
- Thoracic Surgery
- Urology-Urologic Surgery

Internship Tracks

- Pediatric Health: 2 interns
 - Primary goal is to provide interns with knowledge in evaluation and intervention with medically involved infants, children and adolescents
- Neuropsychology: 2 interns
 - Primary goal is to provide interns with knowledge in evaluation and intervention of the pediatric population with neurocognitive and complex medical conditions impacting the central nervous system

Pediatric Health: Internship Core Training Areas

Outpatient Therapy

- Individual and family therapy
- Group therapy
- Outpatient consultation

Assessment

- Developmental, psychological, and/or psycho-educational testing
- Assess developmental delays, intellectual deficits, learning problems, emotional and behavioral disturbances

Consultation-Liaison

- Respond to consultations ordered by attending physicians for inpatients from medical floors in the hospital
- Follow patients who require continued intervention throughout hospitalization

Multidisciplinary Clinics

- Diabetes, Gastroenterology, Sickle Cell, Headache, Late Effects, Rare Chromosome Disorders, Neuro-genetics, Neuro-muscular

Teaching

- Train medical residents in the areas of early development, assessment, and intervention

Neuropsychology: Internship Core Training Areas

Neuropsychological Evaluations

- Outpatient evaluations: full neuropsychological batteries for CNS conditions
- Inpatient evaluations: pre-/post-surgical evaluations for epilepsy and oncology

Consultation-Liaison

- Respond to consultations ordered by attending physicians to inpatients from medical floors in the hospital
- Follow patients who require continued intervention throughout hospitalization

Outpatient Therapy

- Individual and family therapy
- Group therapy opportunities available

Multidisciplinary Clinics

- Epilepsy, Neuro-Oncology, Neuro-Cardiac

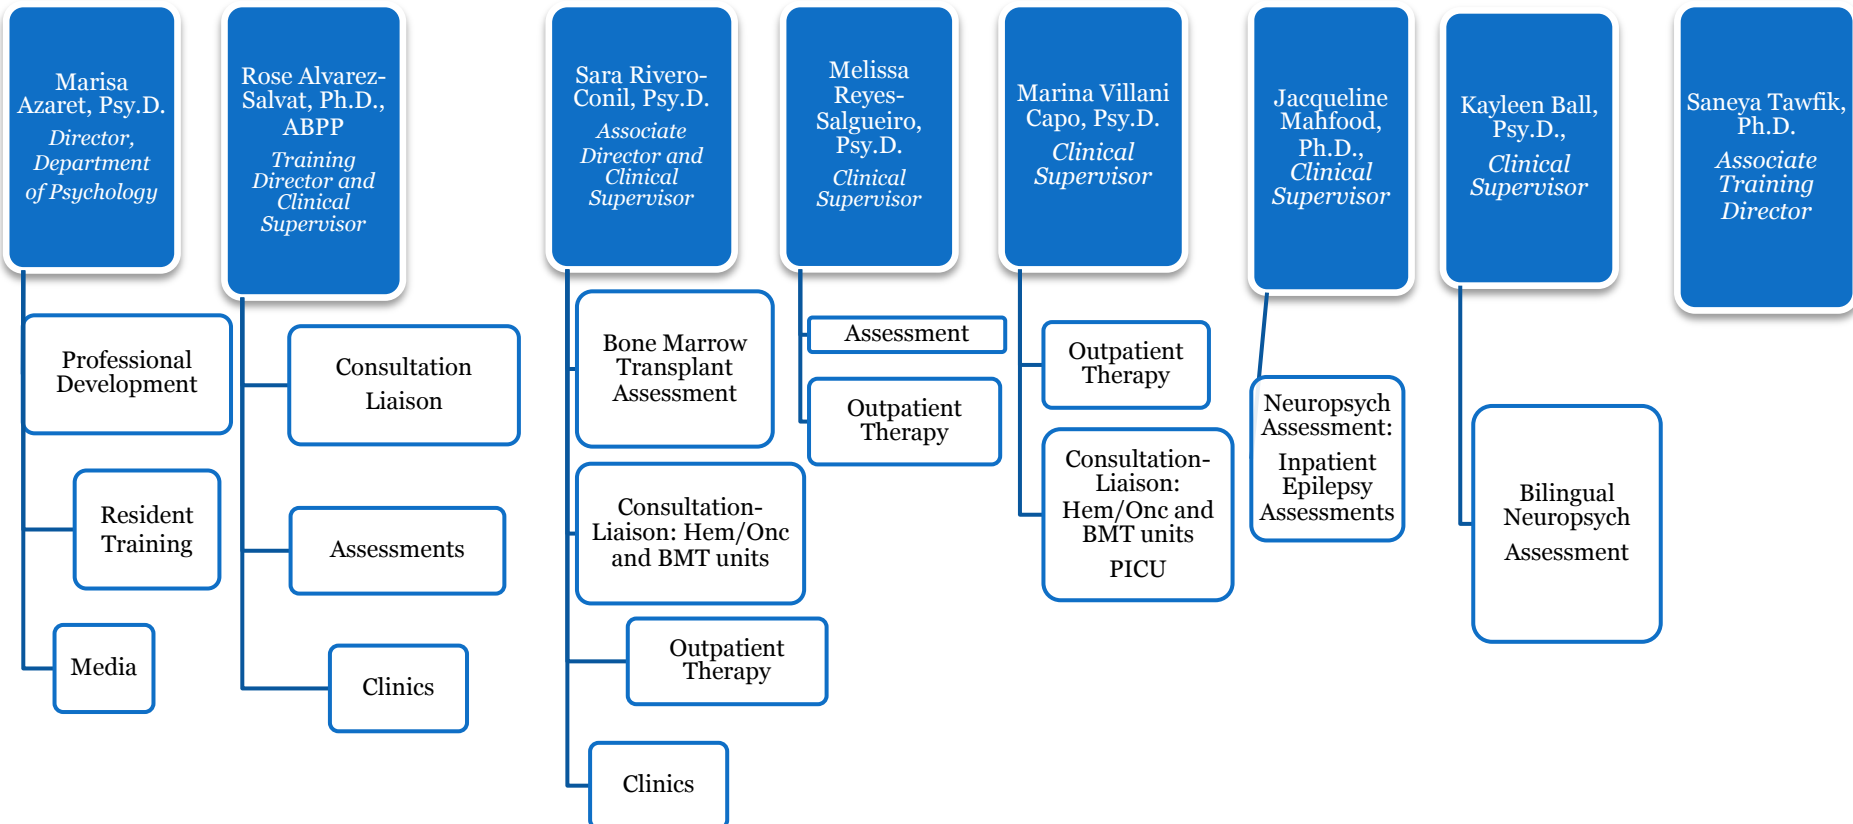

Teaching

- Train medical residents in the areas of early development, assessment, and intervention
- Teach neurology fellows about neurocognitive sequela of seizure disorders and how to interpret neuropsychological assessments.

Supervisors

Nicklaus Children's Pediatric Specialists Nicklaus Children's Hospital

Postdoctoral Fellowships Obtained after Internship

- Johns Hopkins Hospital, Class of 2023
- Brown University, Class of 2023
- Massachusetts General Hospital, Class of 2022
- Children's National Medical Center- Class of 2016, 2021, 2022, 2023
- Dell Children's Hospital- Class of 2012, 2021, 2022
- Nemours/ Alfred I. duPont Hospital for Children- Class of 2019, 2021
- Children's Healthcare of Atlanta/ Emory University- Class of 2009, 2011, 2021
- Nicklaus Children's Hospital- Class of 2012, 2015, 2017, 2018, 2019, 2020, 2023
- Children's Hospital Los Angeles- Class of 2019
- Cincinnati Children's Hospital- Class of 2019
- Jackson Memorial Hospital- Class of 2018
- Child Mind Institute- Class of 2016, 2018
- Cleveland Clinic Children's Hospital- Class of 2018
- Doernbecher Children's Hospital at Oregon Health and Science University- Class of 2017
- Kennedy Krieger Institute- Class of 2017
- Greenville Children's Hospital- Class of 2016
- Dana Farber Cancer Institute- Class of 2015
- Phoenix Children's Hospital- Class of 2014, 2015
- Primary Children's Hospital- Class of 2015
- University of Florida- Class of 2012
- Nationwide Children's Hospital- Class of 2011
- St. Jude Children's Research Hospital- Class of 2010
- University of Miami, Miller School of Medicine- Class of 2010
- Yale-New Haven Children's Hospital- Class of 2009
- Children's Hospital of Philadelphia- Class of 2009
- Stanford University Medical Center- Class of 2009
