SUMMER DAY CAMP PROGRAM FOR  
SOUTH FLORIDA YOUTH

*You hear so much about their emotional, social and behavioral struggles; peer pressure, drugs and alcohol, eating disorders, cutting and depression. If one of them was your child wouldn't you want the very best? Would you go anywhere to find it?*

Here in South Florida we are fortunate to have the very best ~ Miami Children's Hospital. For over 50 years, we have been Miami's only non-profit, free-standing children's hospital dedicated to healing children, from birth through adolescence.

### Department of Psychiatry

The Department of Psychiatry – for over 30 years - has been serving and effectively treating the psychiatric and psychological needs of our children in this community. This year, with its highly trained staff, we offer a new and innovative summer program for teens with emotional, social, and behavioral challenges ~ **Camp YES.**

### Camp YES (Youth Enrichment Skills)

Camp YES, a 5-day per week program (M-F), begins June 8, 2009 through August 14, 2009 from 8am to 6pm.
